Leadership Experience

Effective Altruism: Duke

Duke University

EXECUTIVE MEMBER

Spring 2017 - PRESENT

- Bring together students who are driven by the desire to maximize social good with time and money
- This semester I am spearheading the creation of a fellowship to close the information gap between current and new members, as well as to engage students of different disciplines with the ideas of Effective Altruism
- Last semester, I helped get 9 people to take the Giving What We Can pledge (donating 10% of future income to effective charities)

Philosophy Society

Duke University

EXECUTIVE MEMBER

Spring 2017 - PRESENT

- In Spring 2017, I organized a discussion between two prominent Duke philosophers on the existence of God, attended by 100+ students

Projects

American Statistical Association DataFest

Duke University

PARTICIPANT

April 2018

- Used data on job postings from Indeed to identify industry hotspots across US metropolitan areas; see Github
- Created an interactive visualization with Tableau to explore by city, industry, or region
